

Get Account Notifications

USE THESE SIMPLE STEPS TO GET STARTED

The USAgencies Online Banking system allows you to set up alerts for your accounts. Keep up-to-date on your finances using these handy account alerts.

You can have a text message or an email sent to you when your loan payment is due, when your balance falls below a certain threshold, if there was a deposit made to your account, and much more!

NOTE: You will need to be registered for Online Banking to use Alert Center. See the “GET STARTED GUIDE: Online Banking” for details on registering for Online Banking in just a few steps.

1. To set up alerts, visit USACU.org and log into Online Banking using your username and password.
2. Once logged in, navigate to “Account Information” in the main menu and click on “Text Banking & Alerts”.
3. To add alerts, click on “Add an alert” and select the alert you would like from the drop down menu.
4. To edit an alert, hover over to the alert and click on “More Options” next to an alert to edit details, such as delivery options, frequency, etc.

Your alerts are ready to go!

You can set up as many alerts as you’d like.

Highlights of Online Banking

A FEW ELEMENTS THAT YOU’LL FIND HELPFUL

1. Bill Pay: pay all your bills from one place, with one login - a checking account is required, so ask us about it today!
2. PopMoney: Send and request money to/from anyone using email address or mobile phone number. Paying other people has never been easier!
3. Apply Online: need a new loan? Start an application right in Online Banking. You can even open a new account there too!

Alerts and Notifications Dashboard

The screenshot shows the Alerts and Notifications Dashboard. At the top, there's a header "Alerts and Notifications" with a "View all alerts" link and a help icon. Below this, a message states: "You can stop receiving these alerts by deselecting your email/text preferences below, or following the in-message opt-out instructions".

There are two sections for preferences:

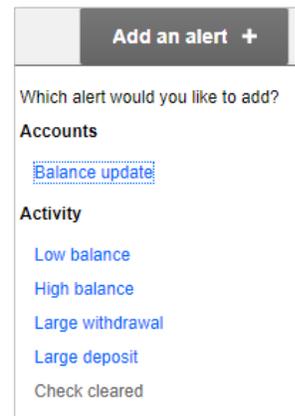

- Email alerts are sent to:** A text input field containing "your-email@email.com" and an "Update" link below it.
- Text message alerts are sent to:** A text input field containing "(xxx) xxx-xxxx" and a help icon.

An "Activate" button is located below these sections.

Below the preferences is a table of alert types:

<input type="checkbox"/>	<input type="checkbox"/>	Alert Type	Add an alert +
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Large withdrawal If a withdrawal in Membership Share - S1 equals or exceeds \$ <input type="text" value="100"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Large deposit If a deposit in Membership Share - S1 equals or exceeds \$ <input type="text" value="100"/>	
<input type="checkbox"/>	<input type="checkbox"/>	Balance update Once a week on Friday send me the balance of Membership Share - S1	

Add an alert screen

The screenshot shows the "Add an alert" screen. At the top is a dark button with the text "Add an alert +". Below this is the question "Which alert would you like to add?".

There are two main categories:

- Accounts:** A link for "Balance update".
- Activity:** Links for "Low balance", "High balance", "Large withdrawal", "Large deposit", and "Check cleared".

Money Management

EASY MONEY MANAGEMENT

Found within Online Banking and the Mobile App, you can: aggregate your accounts, track your spending and savings habits, manage your budget with the cashflow tool, and set goals.
